Recycle us just one more time

Once again now

Peel off the death skin one more time

Once again now

I have seen it happen

I should have known it matters

I'll trace the clock in final turn

Closing time now

Think twice before you say the word

Closing time now

I have seen it happen

I should have known it matters

Come on out on my empty street

Welcome home, you're the person I need

No need to say that you're sorry

Just don't get down on your knees

Farewell, you just don't meet the price

Like the heroes

Grade is the foolish sacrifice

Like the heroes

I have seen it happen

I should have known it matters

Come on...

Crack my shell open one more time

Just to find out

I'm not the one to pay the crime

Just to find out

I have seen it happen

I should have known it matters

Come on
