

## Von Bondies "Chancer"

Visit "[Chancer](#)" on [MotoLyrics.com](http://MotoLyrics.com)

what you need is to take a chance  
dancin' days are a thing of the past  
mix it up and make her go  
Just to let her know

This is the night  
to let it show

and if your feelin' wounded  
don't waste the time move right away  
'cause fallin' down isn't that far to go  
Just to let her know

(hey now, hey now, take it to the other side)  
You don't look so cool  
but you look so alive  
so alive  
so oh oh oh oh oh oh oh alive

(hey now, hey now take it to the other side)  
you don't look so cool but you look so alive  
so alive  
so oh oh oh alive

What you need is to take a chance  
dancin' days are a thing of the past  
mix it up and make her go  
just to let her know

This is the night  
to let it show

wave her down on the dance floor  
you can't keep movin' anymore  
just scream out loud  
and we'll all see your pain

we all feel the same

(hey now, hey now, take it to the other side)  
You don't look so cool  
but you look so alive

so alive  
so oh oh oh oh oh oh oh alive

(hey now, hey now take it to the other side)  
you don't look so cool but you look so alive  
so alive  
so oh oh oh alive
