You've been talking all this shit  
You've been talking all this shit  
I think it's time for you to quit  
Start singing  
Yeahhhh

You're not the apple of my eye  
You're not the apple of my eye  
You are the one that I despise  
Start singing  
(na na na na na na na na na na na na na na na)  
You've been talking all this shit  
and I think it's time for you to quit  
You're not the apple of my eye  
You are the one that I despise  
Start singing  
(na na na na na na na na na na na na na na na)
