Hello, salute its me your duke  
and i made something thats real  
to show you how i feel.

hello, hello its me Picaso, i will paint  
my words of love with your name on every wall

(chorus)

when you leave my colors fade to gray  
oo-ah, ooo-ah eh, oo-ah, oo-ah, oo-ah eh  
every word of Love I used to say  
now i paint it every day  
when you leave my colors fade to gray  
Hey little lover stay or all my colors fade away  
Every word of love I used to say, now i paint it every  
day.

i saw my strength my soul and dreams  
and i bought some things to match the colors of my  
love

hello, hello its me again, Picaso  
i will spread my words of love with your name on every  
wall

(chorus)

every word of Love I used to say  
now i paint it every day  
when you leave my colors fade to gray  
hey little lover stay or all my colors fade away

Every word of love I used to say, now i paint it every day.
