I don't care what they say  
I won't stay in a world without love

Please lock me away and don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say  
I won't stay in a world without love

Birds sing out of tune and rain clouds hide the moon  
I'm okay, here I stay with my loneliness  
I don't care what they say  
I won't stay in a world without love

So I wait and in a while  
I will see my true love smile  
She may come, I know not when  
When she does, I'll lose  
So, baby, until then

Lock me away and don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say  
I won't stay in a world without love

(Please lock me away and don't allow the day)  
(Here inside, where I hide with my loneliness)  
I don't care what they say  
I won't stay in a world without love

So I wait, and in a while  
I will see my true love smile  
She may come, I know not when  
When she does, I'll lose  
So, baby, until then

Lock me away and don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say  
I won't stay in a world without love

I don't care what they say  
I won't stay in a world without love
