I have been lost in this verbal rain
I went to bed feeling no pain
I was drowning baby you're my wine
You're my thoughts you're my silence
You're my sense of time

By 7 30 you'll fall in love with me
Do you believe in destiny
I believe by 7 30

Maybe your love's an uncrackable code
Or maybe your love is a railroad
That you ride when you are all alone
And you speed down the tracks
To what you call home

By 7 30 you'll fall in love with me
Do you believe in destiny
I believe by 7 30

Quite unsubtle these thoughts
You send me
Or is it I who sends them unreceived
And they fly through the air
At enormous speed
Like a boomerang flying back at me

By 7 30 you'll fall in love with me
So you believe in destiny
I believe by 7 30
