I have been lost in this verbal rain

I went to bed feeling no pain

I was drowning baby, you're my wine

You're my thoughts, you're my silence

You're my sense of time

By 7:30 you'll fall in love with me

Do you believe in destiny?

I believe... by 7:30

Maybe your love's an uncrackable code

Or maybe your love is a railroad

That you ride when you are all alone

And you speed down the tracks

To what you call home

By 7:30 you'll fall in love with me

Do you believe in destiny?

I believe... by 7:30

Quite unsubtle these thoughts

You send me

Or is it I who sends them unreceived?

And they fly through the air

At enormous speed

Like a boomerang flying back at me

By 7:30 you'll fall in love with me

So you believe in destiny?

I believe... by 7:30
