We can't play this game anymore
But can we still be friends?
Things just can't go on like before
But can we still be friends?

We had something to learn
Now it's time for the wheel to turn
Grains of sand, one by one
Before you know it's all gone

Let's admit we made a mistake
But can we still be friends?
Heartbreak's never easy to take
But can we still be friends?

It's a strange, sad affair
Sometimes it seems like we just don't care
Don't waste time feeling hurt
We've been through hell together

We can't play this game anymore
But can we still be friends?
Things just can't go on like before
But can we still be friends?

We awoke from our dreams
Things are not always what they seem
Memories linger on
It's not as sweet as roses

Can we still be friends?
Can we still be friends?
Can we still be friends?
Can we still be friends?
