I was alright for awhile
I could smile for awhile but I saw you last night
You held my hand so tight
As you stopped to say hello, oh, you wished me well
You couldn't tell that I'd been

Crying over you, crying over you
When you said, 'So long'
Left me standing all alone
Alone and crying

Crying, crying, crying, crying
It's hard to understand
How the touch of your hand
Can start me crying

I thought that I was over you but it's true, oh so true
I love you even more than I did before
But darling what can I do? For you don't love me

And I'll always be
Crying over you, crying over you
Yes, now you're gone and from this moment on
I'll be crying, crying, crying, crying
Yes crying, crying over you
