For once in my life, I have someone who needs me
Someone I've needed so long
For once unafraid, I can go where life leads me
And somehow I know I'll be strong

For once I can touch what my heart used to dream of
Long before I knew, someone warm like you
When make my dreams come true

For once in my life, I won't let sorrow hurt me
Not like it's hurt me before
For once I have something what I know won't desert me
I'm not alone anymore

For once I can say, this is mine, you can't take it
As long as I know I have love I can make it
For once in my life, I have someone who needs me

For once I can say, this is mine, you can't take it
As long as I know I have love I can make it
For once in my life, I have someone who needs me
