Sometimes I wonder  
If I'm ever gonna make it home again  
It's so far and out of sight

I really need someone to talk to  
And nobody else  
Knows how to comfort me tonight

Snow is cold, rain is wet  
Chills my soul right to the marrow

I won't be happy till I see you alone again  
Till I'm home again and feelin' right

Snow is cold, rain is wet  
Chills my soul right to the marrow

I won't be happy till I see you alone again  
Till I'm home again and feelin' right  
I wanna be home again and feelin' right
