I started a joke which started the whole world crying  
But I didn't see that the joke was on me  
I started to cry which started the whole world laughing  
Oh, if I'd only seen that the joke was on me  
I looked at the skies running my hands over my eyes  
And I fell out of bed hurting my head from things that I  
said  
Till I finally died which started the whole world living  
Oh, if I'd only seen that the joke was on me  
I looked at the skies running my hands over my eyes  
And I fell out of bed hurting my head from things that I  
said  
I finally died which started the whole world living  
Oh, if I'd only seen that the joke was on me  
That the joke was on me
