Just ask the lonely  
When you feel  
That you can make it all alone  
Remember no one is big enough  
To go it all alone

Just ask the lonely  
They know the hurting pain  
Of losing the love  
You can never regain  
Just ask the lonely

The young and foolish  
Who laugh at love and slowly run away  
Confident and sure that fate  
Will bring another love their way

But ask the lonely  
How vainly a heart can yearn  
For losing a love  
That will never return  
Just ask the lonely  
Just ask the lonely  
Just ask the lonely

They'll tell you a story of sadness  
A story too hard to believe  
They'll tell you  
The loneliest one is me

Just ask the lonely  
Just ask the lonely  
Just ask the lonely  
Ask me, I'm the loneliest of all
