Every time you go
This much I know
That it didn't mean nothing
'Cause I've closed the back door

Every night apart
You were in my heart
So don't you worry
'Cause I'm ready for this love to restart

There is a reason
We came together
Rain or shine
I'll love you all my life

We'll weather the seasons
We'll laugh and cry
Rain or shine
I'm yours, you're mine
I'll love you all my life

When I feel afraid
In my own parade
That marches through me
And I don't recognize a single face

You drew a line in the sand
Then you took my hand
And we crossed over
Now I finally understand that

There is a reason
We came together
Rain or shine
I'll love you all my life

We'll weather the seasons
We'll laugh and cry
Rain or shine
I'm yours, you're mine
I'll love you all my life
