I've been down this road walkin' the line
That's painted by pride
And I have made mistakes in my life
That I just can't hide

Oh, I believe, I am ready
For what love has to bring
I've got myself together
Now I'm ready to sing

I've been searchin' my soul tonight
I know there's so much more to life
Now I know, I can shine the light
To find my way back home

One by one, the chains
Around me unwind
Every day now I feel that I can
Leave those years behind

Oh, I've been thinking of you
For a long time
There's a side of my life
Where I've been blind

And so I've been searchin' my soul tonight
I know there's so much more to life
Now I know, I can shine the light
Everything gonna be alright

No, I've been searchin' my soul tonight
Don't wanna be alone in life
Now I know, I can shine the light
To find my way back home

Baby, I've been holding back now my whole life
I've decided to move on now
Gonna leave all my worries behind

Oh, I believe, I am ready
For what love has to give
I've got myself together

Now I'm ready to live

I've been searchin' my soul tonight
I know there's so much more to life
Now I know, I can shine the light
Everything gonna be alright

I know, I've been searchin' my soul tonight
Don't wanna be alone in life
Now I know, I can shine the light
To find my way back home

Baby, yeah, oh, yeah
Baby, yeah, oh, yeah
Oh, I've been searchin' my soul
Oh, yeah
