Oh, this old heart of mine, been broke a thousand times
Each time you break away, I feel you're gonna stay
Lonely nights that come, memories that flow
Bringing you back again, hurting me more and more

Maybe it's my mistake to show this love I feel inside
'Cause each day that passes by
You got me, never knowing if I'm coming or going
But I, I love you

This old heart, darling, weeps for you
(Darling)
I love you, yes, I do
(Yes, I do)

These old arms of mine miss having you around
Makes these tears inside start falling down
Well, always with half a kiss, you remind me of what I miss
So I try to control myself like I'm gonna start fainting

'Cause my heart stops beating
'Cause I, I love you
This old heart, darling, weeps for you
(Weeps for you)
I love you, yes, I do
(Yes, I do)

Oh, I try to hide my hurt inside
This old heart of mine always makes me cry
The way you treat me leaves me incomplete
You're in for the day, gone for the week, now

But if you leave me a hundred times
A hundred times I'll take you back
I'm yours whenever you want me
I'm not too proud to shout it, to tell the world about it

'Cause I, I love you
This old heart, darling, weeps for you
(Darling)

I love you

This old heart, darling, weeps for you

(Weeps for you)

I love you, this old heart, darling, weeps for you

(Darling)

I love you, yes, I do

(Yes, I do)
