(Uh)  
Yo' R.B (Yo')  
Yo', I don't think they ready for us, kid (Yeah)  
Clemons Brothers Federation  
All my mamis and fellas bounce

Uh-uh-uh-uh  
Uh  
So you're lookin' for a baller, baby (Bounce)  
I can be your genie, baby (3rd Street)  
Get down, baby (Bounce)  
Check it out

If you lookin' for a baller that's who I be  
Take a woman out, treat her properly  
Take you out to lunch, show you 'bout the finer things  
From Reebox, know you gettin' fatter things

Lace you with the finest in underwear  
Give you money for your feet, your nails or your hair  
Lay back chillin' in my luxury jeeps  
Tell me, baby, do you wanna roll with me

If you're lookin' for a baller  
Said you're tryin' to stay flossin'  
Girl, I can be a genie  
Said you're tryin' to stay flossin', it's all love  
(Ooh...)

If you're lookin' for a baller  
Said you're tryin' to stay flossin' (Give me a call)  
Girl, I can be a genie (Give me your number)  
Said you're tryin' to stay flossin', it's all love

I know you're tired of livin' ghetto life  
I'mma bless you like the preacher's wife  
Give you everything, all the luxuries  
Show you the real mean McGreen

You ain't gotta live this way again

Flossin' in your Benz wit' your 20 inch rims  
Poppin' Crissy when it's time to parlay  
Let me show you how ballers play

You've got to let me know (Ooh...)  
If you wanna roll with me (If you wanna roll with me)  
Ball with me  
Lady, tell me what you like (What you like)  
Yo', it ain't a thing to me (Yeah, no thing, baby)  
Let's be happy (If you wanna ball really)

If you're lookin' for a baller  
Said you're tryin' to stay flossin'  
Girl, I can be a genie  
Said you're tryin' to stay flossin', it's all love  
(Tryin' to stay flossin')

If you're lookin' for a baller (Ooh...)  
Said you're tryin' to stay flossin' (Ooh...)  
Girl, I can be a genie  
Said you're tryin' to stay flossin', it's all love

If you're lookin' for a baller  
Said you're tryin' to stay flossin' (I can be your  
genie)  
Girl, I can be a genie (Rub me)  
Said you're tryin' to stay flossin', it's all love  
(Give me a call)

If you're lookin' for a baller (Oh, yeah)  
Said you're tryin' to stay flossin'  
Girl, I can be a genie (I can be a genie, baby)  
Said you're tryin' to stay flossin', it's all love

If and what you're seekin'  
We could spend the weekend  
Overseas freakin'  
Livin' out our fantasies  
Every scene shopping sprees  
Anything, let's spend a G (Anything, let's spend a G)

I be pushin' drop tops  
All eyes on my watch  
Sippin' Henny and Moet  
Then got another end  
Smokin' out ???  
Baby, you can a friend (You can tell your friends)

If you're lookin' for a baller  
Said you're tryin' to stay flossin'  
(Ooh...ooh...oh...oh...)

Girl, I can be a genie  
Said you're tryin' to stay flossin' (Ooh...yeah), it's  
all love

If you're lookin' for a baller  
Said you're tryin' to stay flossin' (You're tryin' to  
stay flossin')
