[Self Jupiter]

Damn.. gotta swallow this shit.. like it's hot

Well I may not be the best rapper in the world  
But I play as one in this reality TV sitcom  
soap opera, thriller, dramatization  
Huhuh.. I would get naked up in here but I'm on  
probation  
They prob'ly striking me out for getting too open with  
innovation  
But don't get it twisted  
I'll straight flash on y'all in a five and a heartbeat  
I'm fully a full-blown bully  
300 and 55 pounds soaking wet stylin'  
Woody Allen who be whylin', huh  
Everyone say hi, to the pork, Mork and Mindy  
Menendez brother  
Jim Jones of the mic that won't blow a cyanide capsule  
cover  
Jupiter Hitchcock would LOVE to hit a female AIDS  
patient without a rubber  
Talk about your rough, rugged, and raw  
In the flesh, David Koresh on pearl tongues and  
steroids
