A pretty face, a fake confession
You always learned the same old lesson
Your eyes can't tell us what goes on behind
I met you at the house of pleasure
Back in the year 1997
Still can't see what hurts you deep inside

The world keeps back in; the world keeps back in your eyes

2x

You always thought you're all a loser
You always had the same conclusion
This world is seem to plot in your hazy eyes
Your pretty heart failed this mission
You're gonna fail this in a vision
But got seem right to you down from the sky

I wanna see you shakin'
I wanna see you dancin'
I wanna see you look at the sun
I wanna see you wavin'
I wanna see you smilin'
I wanna see you havin' fun
But in the daylight touch your skin
Are you feeling blue?
But I can't help
'Cause I'm not here
Left opened doors for you

The world keeps back in, the world keeps back in your eyes

2x

I wanna see you shain'
I wanna see you dancin'
I wanna see you look at the sun
I wanna see you wavin'

I wanna see you smilin'
I wanna see you havin' fun
But in the daylight touch your skin
Are you feeling blue?
But I can't help
'Cause I'm not here
Left opened doors for you
