DOGPILE!!!

say you're at a party and everyone's having fun
all you friends are skanking
all except for one
there's no need to ask him why he's in denial
just wait for the jumping beat and then...DOGPILE!!!
c'mon...pick a fight
pick a fight
pick a fight

there's no need for violence
against your fellow man
we must live together in this corrupted land
let's try something new just for a while
instead of pistol-packing let's all DOGPPILE!!!

c'mon...pick a fight
pick a fight
pick a fight

there's no need for violence
against your fellow man
we must live together in this corrupted land
let's try something new just for a while

DOGPILE!!!
