Some people think they caught us slipping  
But we all know that it's not true  
Everyone thinks that they're the expert  
Always dissin' us and our crew

Just because we knew what we want  
Doesn't mean that we aren't true  
You're the ones that put us here  
Now isn't that the fucking truth

Go

Here we are again  
And we'll be here till the end  
Here we are again  
And we'll be here till the end

Here we are again  
And we'll be here till the end  
Here we are again  
And we'll be here till the end

We've been climbing up that ladder  
And haven't fallen yet  
Everyone thinks they know the answer  
It's just a matter of opinion

Go

Here we are again  
And we'll be here till the end  
Here we are again  
And we'll be here till the end

Here we are again  
And we'll be here till the end  
Here we are again  
And we'll be here till the end

Here we are again  
And we'll be here till the end

Here we are again  
And we'll be here till the end
