What do you mean I have a bad attitude. Don't get me wrong but my nature is rude. I know when I'm getting taken advantage of. People are people I know you make mistakes too. Call my bluff, use your power. Everyone knows you're the man of the hour. Write me up, send me home early. In the end you're giving me what I asked for.

Everyone knows I'm a rebel. Not a troublemaker, can't you tell. I just speak up for myself. At the same time I'm losing my dignity
