People are always
Thinking too much
They make the rules
Ignorance ain't pretty
In this cold, hard world

What if you don't have
The answer to every question?
Well, we're not
Spreading knowledge
Like a social infection

We're not the ones
That want to change you
Or make you think
We're not the ones
To pressure you
To change your ways

You go to school six hours a day
You got a job that doesn't pay
Go out Friday night
You don't expect a lecture tonight

We got a radio vibe for fun
If you listen you'll be the one
Go home, be skankin' tonight
Hoping it will make things right
