Nightmares  
Fuckin' nightmares  
Nightmare

Submerged in a pool of someone else's control  
They've taken my emotions and imprisoned my soul  
Forgetting my identity, I'm mechanical from head to  
toe  
Waking up in a cold sweat and afraid of my own  
shadow

Nightmares  
Fuckin' nightmares  
Nightmares

Another life that lives in my subconscious mind  
One that's keeping me awake with the silence of the  
night  
Visions of disorder flowing through my brain  
Having to convince myself I'm not going insane

I'm living in a nightmare can't you see?  
I need some musical therapy  
I'm living in a nightmare can't you see?  
Gimme some musical therapy

I'm living in a nightmare can't you see?  
I need some musical therapy  
I'm living in a nightmare can't you see?  
Gimme some musical therapy

Huh

Musical therapy, that's what I need  
Can't you see?  
Musical therapy, musical therapy

Nightmares  
Fuckin' nightmares  
Nightmares

Submerged in a pool of someone else's control

They've taken my emotions and imprisoned my soul  
Forgetting my identity, I'm mechanical from head to  
toe  
Waking up in a cold sweat and afraid of my own  
shadow

I'm living in a nightmare can't you see?  
I need some musical therapy  
I'm living in a nightmare can't you see?  
Gimme some musical therapy

I'm living in a nightmare can't you see?  
I need some musical therapy  
I'm living in a nightmare can't you see?  
Gimme some musical therapy
