Roll your sleeves up, put up your dukes
The time has come for us to speak the truth
It never hits you until you realize
You've been victimized in front of your family's eyes
It's getting really sad how now you have to fear the
man
I just can't understand why they shot up her sedan

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

Public outrage, a community speaks
The justice system has just sprung a leak
Public figures are marching in the streets
Standing their ground against corrupt police
It's getting really sad how now you have to fear the
man
Let's burn 'em with the Ku Klux Klan

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)

(We got to fight)
(We got to fight)
The silencer

You can't stop the silencer
You can't stop the silencer
You can't stop the silencer

The color skin, skin to win
Becomes an issue, it becomes a sin
Everybody's focused on race, intense criticism settles
in
It's getting really sad how now you have to fear the
man
When four white officers kill a black woman

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

(We got to fight)
(We got to fight)
(We got to fight)
The silencer

You can't stop the silencer
You can't stop the silencer
You can't stop the silencer

You can't stop the silencer
You can't stop the silencer
You can't stop the silencer

You can't stop the silencer
You can't stop the silencer
You can't stop the silencer

You can't stop the silencer
Silencer
