This my pussy I can do what I want
Ha, I'm a big girl now
This my pussy i can do what i want
Ha, I'm a big girl now

-Front, back, side to side
Pussy pop, do it right
Front, back, side to side
Pussy pop, do it right

Shake it, shake that laffy candy
Wrapper on your booty
Girl, you lookin dandy
Now pop that pussy-

Damn, girl, you's a freak
Give it to me, shes a beast
Get her wet, watch it leak
Runn game but i dont speak
Shake it fast, west to east
Nasty talk, we in the sheets
Shes a big girl, yeah i know
give her when she curl her toes
Get it girl, what you want?
Say she like it from the front
Dont be scared, pussy pop
From the back and I wont stop
Sit on top, she like to ride
Pull ahead she clap thighs
Like it when she make it dip
Throw it back, its in the hips!

-Front, back, side to side
Pussy pop, do it right
Front, back, side to side
Pussy pop, do it right

Shake it, shake that laffy candy
Wrapper on your booty
Girl, you lookin dandy
Now pop that pussy-

Put your fingers on it
Damn, Im horny
Pussy poppin, yeah im on it
Freakin fuckin, until mornin'
In the club, yea off that potion
Know im gonna watch it, oh she make it move
