Can't nobody tell me shit
I'm flyer than a bitch
Man I'm flyer than my bitch
So you can say I'm cocky I'm confident
But don't let a nigga tell you
You ain't the shit (haha)
See see yous a got damn lie
Some nigga tellin me I anit that fly
Get a lint brush take ya clothes to the cleaners
Get a couple bucks get the vans the cleanest
Yeah \$35.99 but to tell the truth
You don't need a dime to shine
Cus the real shine comes from wats inside insecurities
and egos put that aside
Maybe you could realy find you a friend who ride
And you feel so fly that you might can glide
The morals of the world which you must abide
Ss to the death for the pack I ride like

Fly, don't let nobody tell you you ain't fly
You go keep yo head up in the sky
Dreams are the things that never die
Why why am I so fly

[Lil B:]
Cleaner than west baby fly as my sweater
Don't let nobody tell you different
Yeah wat ever, I think different
Anit scared to be different
I dress different than you I got differnt visions
And lite the same shit yeah it's differnt pimpin
Don't be scared like wateva it's wateva
