And if you feeling this put your cellphones high and
we can slow dance by the cellphone light.

You like to slang white and I like to cop white.
I'm not talking dope baby,

shoot to the top. If you miss baby,
you'll land on me. I'm a star born,
yeah hop in my car. Like old times,
remember them good days, shopping till the mall
close,
ballin' like spalding

Hook:

Remember old times just you and me,
we use to ball out, just you and me,
for old time sake, keep the memories,
hold em tight baby, hold em tight baby. (x2)
