Bury her while she's still standing  
It's your duty to.  
Bury her while she's still standing  
Better she, better you

No no no, I think you got it wrong  
No no no, I think you got it wrong.

Woahhh

Don't try to tell her its over, over  
Tell her anything, anything  
But don't try to tell her its over, over  
She's not listening, listening

No no no, I think you got it wrong  
No no no, I think you got it wrong.

I think that you got it wrong,  
You like that, how'd ya like that?  
You fought the battle she won the war,  
You like that, how'd you like that?  
I think that you got it wrong,  
You like that, how'd ya like that?  
I think that you got it wrong, yeah.

She felt like she was losing half the time,  
To me it seems she lost nothing at all.  
You took advantage of her softer side,  
You took the piss she took the fall, fall.

And I think that you got it wrong,  
You like that, how'd you like that?  
You fought the battle she won the war  
You like that, how'd ya like that?  
I think that you got it wrong,  
You like that, how'd ya like that?  
I think you got it wrong, yeah

So I think its time for you to turn and walk away, aight  
I dont think she's listening anymore.  
I treat her like the princess she deserves to be,

Instead of that you treat her like a whore, whore.

I think that you got it wrong,  
You like that, how'd ya like that?  
You fought the battle she won the war  
You like that, how'd ya like that?  
I think that you got it wrong,  
You like that, how'd ya like that?  
I think that you got it wrong, yeah.

No no no no no no,  
No no no no no no  
No no no no no no.

I think, I think  
You got it wrong  
You got it wrong  
You got it wrong  
You got it wrong  
You got it wrong  
You got it wrong  
You got it wrong  
You got it wrong  
You got it wrong
