Well you've done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks  
and now I'm trying to get back  
Before the cool done run out  
I'll be giving it my bestest  
Nothing's going to stop me but divine intervention  
I reckon its again my turn to win some or learn some

I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love  
Listen to the music of the moment people dance and  
sing, were just one big family  
It's our God-forsaken right to be loved love loved love  
love

So I won't hesitate no more, no more  
It cannot wait I'm sure  
There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Do you want to, come on, scootch over closer dear  
And I will nibble your ear

I've been spending way too long checking my tongue in  
the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed  
I guess what I'll be saying is there ain't no better reason  
To rid yourself of vanity and just go with the seasons  
It's what we aim to do  
Our name is our virtue

I won't hesitate no more, no more  
It cannot wait I'm sure

There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love, love, love  
so please don't please don't please don't.  
There's no need to complicate  
'cause our time is short  
This oh this oh this is our fate I'm yours

Oh I'm yours

I won't hesitate no more  
Oh no more no more no more  
It's our God-forsaken right to be loved, I'm sure  
Theres no need to complicate  
Our time is short  
This is our fate, I'm yours

No I won't hesitate no more, no more  
This cannot wait I'm sure  
There's no need to complicate  
Our time is short  
This is our fate, I'm yours, I'm yours
