(chorus)

Take me awaaaay, take me way up in the sky
Take me awaaaay, this love will never die
Take me awaaaay, girl you make me feel so right
Take me awaaaay, lets make love till morning light

Baby I love when you flash your hair
Kick off yuh shoes like you don't care
Kiss and caress me anywhere
I like you babe, those crazy ways
Just deal wid my case and, gallong bad
Make up your face and, gallong bad
Whine up your waist and, gallong bad
You know you turn me on

chorus

Baby I like everything you say
You tickle my spine in a certain way
Really can't tell if its night or day
You start to play but it's OK
Turn off the lights and, gallong bad
Fire tonight and, gallong bad
Squeeze me so tight and, gallong bad
You know you turn me on

chorus

Deal wid the case and, gallong bad
Make up your face and, gallong bad
Whine up your waist and, gallong bad
and come on, and come on, and come on
Turn off the light and, gallong bad
Fire tonight and, gallong bad
Squeeze me real tight and gallong bad
You know you turn me on
