Chorus

Nuff Doctor Fish dumpling and banana

Turtle soup wid conch and oyster

Peanut porridge put in ah me freezer just tell her fe
come (Owww!!)

Nuff exercise man ah train like soldier

Swim 20 miles like man ah big track star

Buff up the waist like big body builder

Tell her fe, tell her fe

Verse 1

Me say gal outta street an' ah run up she mouth

Ah chat bout she bad through she crush up a scout

Ah gwan like she rule and ah tek man fe fool

You know whey me know gal ah better you cool

Her friends dem ah tell her say nah pester that boy

Cause who feels him knows it nah tek him fe toy

Cause late in the night when yah beggin' to stop

That's when this war man just ready to start

Chorus

Verse 2

Gal in ah dance and ah wine up herself

An talk bout she need her hotself pun my shelf

Wine and gah down and skinout pun her head

Ah chat bout she wicked and bad inna bed (Owwww!)

Hold her up close and we started to dance

Vibe bustin' right and we start to romance *

Turn on she freet can't believe what she feel *

Wondering, pondering this is for real?

Chorus

Verse 3

Tell her fe groove caw me nah easy

Tell her fe chill caw me nah play

Tell her fe breeze caw me nah tek back chat

Me is ah boy whey would defend what me say

(Repeat) (Wonder if she hear what me say)

Repeat Verse 1 after that part
