Looked into your eyes and didn't see anything,  
The only person that you love is yourself,  
Well you and me were just not going anywhere,  
Your best bet is to by yourself,

'Cause Im not sure its over  
[over shoulder]  
Something inside is telling me...

Not going anywhere with you  
Not going anywhere with you-hooo-oo  
Not going anywhere with you-ooo-oo

Looked into your eyes and didn't see anything,  
The only person that you love is yourself,  
Well you and me were just not going anywhere,  
Your best bet is to by yourself,

'Cause Im not sure its over  
[over shoulder]  
Something inside is telling me...

Not going anywhere with you  
Not going anywhere with you-hooo-oo  
Not going anywhere with you-ooo-oo

Not going anywhere  
[not going anywhere]  
Not going anywhere

'Cause Im not sure its over  
[over shoulder]  
Something inside is telling me...

Not going anywhere with you  
Not going anywhere with you  
Not going anywhere with you  
Not going anywhere with you-hooo-oo
