And you say like you mean it.  
and you say like you mean it

you don't mean that much to me anymore  
you don't mean that much to anyone

feels like your welcome ???  
feels like i've let you down  
but i'm just trying to live my life  
to make you proud

and you say like you mean it  
and you say like you mean it  
you don't mean that much to me anymore  
you don't mean that much to anyone

[Whoo!]

and you say like you mean it

realize that life's not a ???  
but it's time that i stood my ground  
living my life in my own way  
just to make you proud

and you sound like you mean it  
and you say like you mean it

you don't mean that much to me anymore  
you don't mean that much to anyone.
