Everybody is trying to get to the bar.

The name of the bar, the bar is called Heaven.

The band in Heaven plays my favorite song.

They play it one more time, they play it all night long.

Oh, Heaven.

Heaven is a place, it's a place where nothing, nothing ever happens.

(x2)

There is a party, and everybody is there. Everybody will leave at exactly the same time. And when the party is over, it will start again. It will not be any different. It'll be exactly the same.

Oh, Heaven.

Heaven is a place, it's a place where nothing, nothing ever happens.

(x2)

When this kiss is over it will start again. It will not be any different, it will be exactly the same. It's hard to imagine that nothing in this world could be this exciting, could be so much fun.

Oh, Heaven.

Heaven is a place, it's a place where nothing, nothing ever happens.
