Yeah this one goes out to all them Moet clickers

Sometimes the lesson I'm still holdin yaknowhatlmean?

Here it go.. are you..?

Dimes trash about beg Rick ask them out

Moet click back in the house kid ask about

In a vehicle not proud of hi shouter and

marvel at the cars that the one I got outta

Dismantle all vandal who cannot hold a candle near

I outglitter the chandelier

Bougie [niggaz] talk and glance at enhance

who makes every [nigga] walkin dance

Plus the clothes you saw me gorgeous bout

would make a homosexual ask where I bought that
outfit

No question, I answered all gangsters and

paralyzed moves like professional dancers and

So go West, we a family skunk of rap hits

to snap out of you that divide and conquer crap

Pass the bubbly - to the good guy starter

Rap style keep you in a good high bark, I sparkle

And move the middle

And move the middle

And move the middle

And move the middle

Glitter enter, even the stars in the million

and even the sun be like, "That kid over there brilliant"

Knew this isn't new deficit, all figure ripped

When I'm in the club, mad noise, at who the nigga is

Entertainment, alter, baldhead slaughter

and Moet sparks curse, hi my name Rick Walter and

about to offer lead to drop another muffin

Even dead folks nowadays hoppin out a coffin

What's one to do, goin to do, blunted too

son to who conduct the whole world if wanted to

Who assault viking, when he touch like lightning and

everybody know me, walk in sparkling

The co-sponsor, although I sworn all out

and don't doubt it if you see me in some cornball outfit

Pass the champagne to good guy start

Rap style keep you in a good high bark, I sparkle

And move the middle

And move the middle

And move the middle

And move the middle

Brother arouser, a chaffeur of ? propped
 against stars bright, so stay over my housetop
 Even little kids give up their milk and cookie to
 The bartender open off Rick and start lookin to
 A trailer full of women lovin the rhythm, I'm givin
 and skin -- for what Rick -- for artiller within em
 So let me explain it, famous, same
 You know that the legendary reign this game kid
 Massage and awaken who start to it
 Old folk drop teeth breakin so hard to it
 That's Rick, so any drunk like a glad kid
 Do that little dance where you spin round a tad bit
 All battlin done, just one hunch and I'll
 fight punch you all, all you fans dysfunctional
 So pass the bubbly - to the good guy starter
 Rap style keep you in a good high bark, I sparkle
 And move the middle
 And move the middle
 And move the middle
 And move the middle
 And move the middle
 And move the middle
 ..
 And move the middle
 And move the middle
 And move the middle
