Verse One:

Nigga no way rap better than, act better, that

veteran of rap *?ceteran?*

Brung on, motherfucker sung on, run on

Come on, go and have fun on, run on

Immediate considered, no he really ain't

The main ingredient, comedian, must be obedient

Reason why the player who away a few, say that too

cos no one else can talk shit way I do

School kid, the cool slid

and I rule wid, still shoot wid my 2, kid

Ain't no way on Earth to faze Rick, the man plays with

wit

Eras-ed the man amazin the bassin

Border him, all on ya albums slaughterin

Better spin like slavery when I order him

Rejects creep yet keep step

Every borough, every state, every country in deep
check

Chorus:

Mack all of it, controller shit, catch hold of it

How you gonna move Slick when cats like solo Rick?

Accept, yet no chances that they make plans

to wreck and make a nigga, breakdance the record

Interested with, gets congested with

clowns, haven't made a record, impress the kid

Verse Two:

No entry, let's keep a hood rhymin shit (A-party people)

Are you tryin to have yourself a good time or what?

No stressin you, type of beat bring out the best in you

Allegeble, ruler came to add a touch of bless onto

Niggas think they bashin me, his majesty

of garbage and never were no match for me and
actually

many a girl catch the fever

and I don't need anyone else rap with either

If this is based on skill, kill anybody will

affiliate Rick real to Hicksville

Same ruler movin cowardness out of this

Never out powerless, devour this and now it is

time for one to leave upon impeach

Help teach all men how to live amongst each
(Knowl'msayin?)

Although a lotta creep yet keeps

Every borough, every state, every country in deep
check

Chorus

Verse Three:

The bounce men, S&S sound bend

Listen up kid, an important announcement

There's a rapper I know many interested in

named Rick, no rapper alive could mess with him

Lace records all audience roar to

Grand of a show, skill on the dancefloor too

Freakin awesome, of course I'm married

High school broads keep your drawers on

cos this one in perf' case

Guaranteed to make you break fool at the work place

Diligent, shout as Mr. Militant

Allow me to do my thing, it's all brilliant

Although sometime the reign may slip

can't skip my part on the hu-man tip

Ain't shit, you rejects creep yet keep step

Every borough, every state, every country in deep
check

Chorus
