hoooooo hooo I miss the way you looked at me.
It has been so hard now that you are gone.
I can't get you out of my head.
I want you to come back to me.
I miss the way you hugged me.
I want to feel it just one more time.
Can't stop thinking of you.
Your my hear you saved me from danger.
You make me feel safe in every way you could.
I miss the way you played with me.
I want to play with you one more time.hoooooo hoooo I
miss you I MISS YOU
