### "Upside Down"

Visit "[Upside Down](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Angels watching over me with smiles upon their face  
Coz I have made it through this far in an unforgiving  
place

It feels sometimes this is too steep for a girl like me to  
climb  
But I must knock those guards right down I do it in my  
own time

I don't care (care care)  
I'm half way there (nowhere)  
On a road that leads me to straight to who knows where

I tell you what (I tell you what)  
What I have found (What I have found)  
That I'm no fool (That I'm no fool)  
I'm just upside down (Just upside down)

Ain't got no cares (Ain't got no cares)  
I aint got no rules (Aint got no rules)  
I think I like (I think I like)  
Living upside down (Living upside down)

Watchin people scurry by rushing to and fro  
Oh this world is such a crazy place it's all about the go  
go go

Sometimes life can taste so sweet When you slow it  
down  
You start to see the world a little differently  
When you turn it upside down

I don't care (care care)  
I'm half way there (nowhere)  
And I'm just soaking up the magic in the air

I tell you what (I tell you what)  
What I have found (What I have found)  
That I'm no fool (That I'm no fool)  
I'm just upside down (Just upside down)

Ain't got no cares (Ain't got no cares)  
I aint got no rules (Aint got no rules)  
I think I like (I think I like)  
Living upside down (Living upside down)

(Whoa Whoa Whoa)  
You gotta slow it down  
(Yeah Yeah Yeah)  
But then you pick it up  
(Whoa Yeah Whoa)  
C'mon and try a little topsy-turvy back-to-front the right  
way round  
Take it slow slow slow (You gotta pick it up)  
Yeah Yeah Yeah (See you slow it down)  
Yo Yo Yo (Tell me something something)

I tell you what (I tell you what)  
What I have found (What I have found)  
That I'm no fool (That I'm no fool)  
I'm just upside down (Just upside down)

Ain't got no cares (Ain't got no cares)  
I aint got no rules (Aint got no rules)  
I think I like (I think I like)  
Living upside down (Living upside down)

I tell you what (I tell you what)  
What I have found (What I have found)  
That I'm no fool (That I'm no fool)  
I'm just upside down (Just upside down)

Ain't got no cares (Ain't got no cares)  
I aint got no rules (Aint got no rules)  
I think I like (I think I like)  
Living upside down (Living upside down)
