

Pains of Being Pure at Heart, The "Even in Dreams"

Visit "[Even in Dreams](#)" on MotoLyrics.com

You can drive around all night
with the radio on high
And wonder what it's like
to be liked
And never feel out of time

You're not the only one
You're just my only one

Even in dreams
I will not betray you
Even in dreams
I will not betray you

If I could shut my eyes
and disconnect my mind
There's just one thought I would think
I'd think it all the time

You're not the only one
You're just my only one

Even in dreams
I will not betray you
Even in dreams
I could not betray you

Cause there's nobody like you
Is that why they don't like you?
You are cold
You are cold and dead to their jokes
Yeah, there's nobody like you
Is that why they don't like you?
Like I do

And I do

Even in dreams
I cannot betray you
Even in dreams
I will not betray you

Betray you
Even in dreams
Cannot betray you
Even in dreams
I cannot betray you
Betray you
