Young Jim, as a lad, he looked for adventure, calamity,  
danger, whatever  
was free. So when he turned ten, he  
packed his belongings and he left home to find his  
destiny. Jim just a  
boy, who's head full of legends of dungeons  
and dragons and pirates and stuff. So that summer he  
nuck on a schooner  
to harpoon tuna and get real buff.  
The Captain he said, "There's danger ahead, we need  
some brave men to  
sail and then, we'll find us those pirates,  
stop them with violence, to make the ocean safe once  
again."  
Cleaning up the oceans CAPTAIN HAMPTON and his  
crew. Trouble in  
the seven seas, he'll know what  
to do. CAPTAIN he hates rubbish to him pirates are just  
soot. Scallywags  
and scurby dogs are crushed under his  
foot. CAPTAIN HAMPTON, CAPTAIN HAMPTON, Ahoy,  
Ahoy. Pillaging the  
Pillagers, triumphantly he'll sail  
away, hey, hey!  
Now, seven weeks into the trip, and Jim was sick to  
death of being sick.  
Some kind of action he wanted as he  
searched the seas, for everyday was the same old...  
stuff. The night he  
felt like jumping ship but then he heard a  
crash hit the starboard side of the ship and bumped  
him out of his bunk,  
onto his bottom. Our heroes drew their  
swords as the MIDGETS swarmed aboard. The PIRATES  
surprise attack, the  
tiny buccaneers caught us by  
surprise as we tried to battle back.  
Cleaning up the oceans CAPTAIN HAMPTON and his  
crew. Trouble in  
the seven seas, he'll know what  
to do. CAPTAIN he hates rubbish to him pirates are just  
soot. Scallywags

and scurby dogs are crushed under his  
foot. CAPTAIN HAMPTON, CAPTAIN HAMPTON, Ahoy,  
Ahoy. Pillaging the  
Pillagers, triumphantly he'll sail  
away, hey, hey!

La la la la la la la, la la la la la la.  
La la la la la la la, la la la la la la.  
La la la la la la la, la la la la la la.  
La la la la la la la, la la la la la la.  
CAPTAIN HAMPTON, CAPTAIN HAMPTON, Ahoy, Ahoy.  
Pillaging the Pillagers,  
triumphantly he ran away!
