Yeah, yeah yeah yeah yeah

Pool-yeah-pool?-oh yeah

(Bridge 1)

The ratio of girls to guys is 5 to 1  
There hasn't been a party like this since 1981  
Come to my party, let the games begin  
We've even got floaties if you cant swim

(Bridge 2)

yeah cmon everybody  
i love you girl  
you know it's true  
to have a super party  
in my swimming pool  
jump on in  
and you will see  
just how fun  
a pool party can be  
but dont eat too much  
before you swim  
cause you might get a cramp  
under your chin  
someone's screaming  
thats not cool  
who threw that reedy bar
