Well I met you in the third grade (grade), I didn't know  
that you liked  
lemonade (lemonade). I met you another  
year later, you wore a RED SWEATER with an alligator.  
We chased the ice  
cream truck across the street and I  
thought you seemed kind of neat. We held hands as we  
walked to the  
swings in the park.  
You're my girl, I'm your man. I don't care if we live in a  
garbage can. I'm your man, you're my gal, I'm so  
glad that we are pals.  
You're not fat - you don't smell bad. You're always  
smiling - never sad.  
I bet you take a shower every day... hey  
hey hey hey hey.  
But then when I saw you playing soccer with your  
friends, I knew that  
day our love would never end.  
And this whole time it blows my mind, oh well whatever  
- we're so good  
together, when you matty me you'll be my  
wife.  
I'm in love, its great, see you again - can't wait, there's  
so much to  
do. You're such a pretty girl, we'll travel round  
the world, to see this love through.  
And if you ever went away from me. I would cry, I would  
fall down on one  
knee. And I would pray, Yes I would  
pray, that you would come back to me someday....

I'm in love, its great, see you again - can't wait, there's  
so much to  
do. You're such a pretty girl, we'll travel round  
the world, to see this love through.  
Oh well whatever, you and me and that RED SWEATER.  
Oh well whatever, you  
and me and that RED  
SWEATER.  
Are go!
