How do I know I'm alive  
And you are beside me  
How do I show you  
I'm blinded without being silent

How do I trust you  
When this world fades to grey  
How do I know you  
Won't be my fate  
My fate

Tell me you'll be my breath  
You'll be my rock, my rain  
Tell me you'll be my breath  
And our breaths will be the same  
Will be the same

Tell me you'll be my breath  
You'll be my rock, my rain  
Tell me you'll be my breath  
And our breaths will be the same  
Will be the same

How do I be patient  
When I want something fast  
How will I know  
You are close to me  
You're not too far

How do I preserve  
My beating bleeding heart  
When I am mourning  
When were far apart

Tell me you'll be my breath  
You'll be my rock, my rain  
Tell me you'll be my breath  
And our breaths will be the same  
Will be the same

Tell me you'll be my breath  
You'll be my air, my flame

Tell me you'll be my breath  
And our breaths will be the same  
Will be the same

Tell me you'll be my breath  
Tell me you'll be my breath  
You'll be my air, my flame  
Tell me you'll be my breath  
And our breaths will be the same  
Will be the same
