Genius a sixteen, (how u know so?)
Yow a di teacher, sell more hits da Springstein,
Big Ship (sailing)

World Wide...

[Verse 1:]

My style is fresh, no preservatives, no additives,
Zero percent fat, protein,
Iron, no calories,
Simple my mother goose melodies, too much of them
inna di business,
Mi kill dem with lyrics,
Yeh this is, Adidja the Teacher on the premises,
Any man say him is fi mi Arch nemesis,
You will b the first like Genesis to decorate the new

Ninety percent gi mi pussies and breastses,
Ten say in hell mi fi burn like effigies,
(Ready or not here I cum, u can't hide), like the
refugees,
(Kool or die) like the Kennedys,
Sum bwoy wash up like what a shipwreckage is,
