[Recording]

You have no reason to treat me like this,

[Ah wah happen to you girl]

And I never forget the day when my world tumbled  
down.

[Do to yourself]

Everything you told me, everything was just a lie.

[Yuh believe weh yuh wan believe, mi nuh tell yuh  
nuttin]

When I gave all of my love to you,

Mi neva know seh ah suh yuh did stay. [Awoh]

I thought you loved me, mi did tink seh yuh love me.

When I said I'll spend my life with you,

Mi neva know seh ah game yuh a play. [Oh]

I thought you loved me, mi did tink seh yuh love me.

Ah yuh a lone mi give my love,

You have no right to hurt me so.

You are have to burn in ah anything everything yuh do.

I gave you everything I got,

and yuh gimme back nothing.

Mi feel a burning pain inside of me,

Mi feel it growing and growing.

You kill my hopes, my dreams & everything mi believe  
in.

[Yuh wan believe mi nuh tell yuh nuttin]

When I gave all of my love to you,

Mi neva know seh ah suh yuh did stay. [Awoh]
