Baby,  
Question  
Answer  
U-uh

Tell me now  
All party say why you nah go  
Don't make him control your life so  
Don't make him tell ya seh  
You're unwanted

Meanwhile eh  
But line up  
All him a gwan like your fadda  
Don't make him beat you or illtreat you  
Man go pon you one time one you're a wife  
You're with a husband

all of the pain, all of the heart tell  
get done now  
New man inna your life

Him eh tell you him love you  
so you're in love now  
New man inna your life

You look betta now  
You're much betta now  
You live betta now  
Your life betta now  
(x2)

Ladies lighten out your building  
Don't let him fi tell you say you say  
You can't go with your girlfriend

Girlfriend, Addi have di Lincoln  
Tell me what your name  
where you from  
what you drinking

You see you good fi laughing

But you can  
Me tell you long time  
go for de solution  
The normal lifestyle just so you stand

and me fi put a wedding ring pon your left hand (ah)

all of the pain, all of the heart tell  
get done now  
New man inna your life

Him eh tell you him love you  
so you're in love now  
New man inna your life

You look betta now  
You're much betta now  
You live betta now  
Your life betta now  
(x2)

Why him don't want you go out?  
Don't make him turn you  
Inna fern with your nose out

Popcaan stage show sold out  
You can't go you haffi lock up inna your house  
Not a one time (one time)  
your freedom (freedom)  
Take an extra room inna mi house  
Jumpin up fi clean up and spring out

You'll find happiness  
New memories now

all of the pain, all of the heart tell  
get done now  
new man inna your life

Him eh tell you him love you  
so you in love now,  
new man inna your life

You look betta now  
You're much betta now  
You live betta now  
Your life betta now  
(x2)
