[Intro:]

Nuh man nuh deh ya weh love dem woman

Eh?

Baby...

Sidung and reminisce

A drink some Street Vybz Rum and a smoke a ting

And a think bout di niceness

Like di way how you always treat me

Plus di way yuh seh Addi complete me

Plus di tings weh yuh do jus fi keep me

Plus di, plus di love weh yuh give me

[Chorus:]

Me add it up

Me and you nah lef

Nuhbaddy cya tell me nothing bout you

We nah go lef

Look how long we deh

Me nuh care we people seh

Me nah lef

Me nah lef

We nah go lef

Look how long we deh

Me nuh care we people seh

[Verse 1:]

Till death do us part

You a mi wifey

Yuh know seh mi love yuh fi life be

Nuh Nuff people out deh nuh like we

Soh dem a spread rumors jus fi spite we

But me know seh you nah follow dem

Me love you, you love me till di end

You closer than a brother or a sister

You close more than a friend

[Hook:]

Soh anyting you need

You can depend pan me

You have di Gaza Thug word

Me will love yuh till eternity

Dat mean...

[Chorus:]

Me and you nah lef
Nuhbaddy cya tell me nothing bout you
We nah go lef
Look how long we deh
Me nuh care we people seh
Me nah lef
Me nah lef
We nah go lef
Look how long we deh
Me nuh care we people seh

[Verse 2:]

Me did have gyal before you
You did have man before me
Now nobody else for we
Two a we together slowly but surely
Soh mi haffi gih you glory
You inspire me fi write a love story
Rumours a spread but dem so weak
Becah you nah let go and me won't leave
You open up yuh heart and me come in
Fi get di, fi get di good good loving
Sometimes mi seh tings weh mi don't mean
Nuh matta weh mi tell yuh seh you a mi huney

[Hook:]

Soh anyting you need
You can depend pan me
You have di Gaza Thug word
Me will love yuh till eternity
Dat mean...

[Chorus:]

Me and you nah lef
Nuhbaddy cya tell me nothing bout you
We nah go lef
Look how long we deh
Me nuh care we people seh
Me nah lef
Me nah lef
We nah go lef
Look how long we deh
Me nuh care we people seh
