Chorus

First thing me do when mi wake up
Burn high grade fi mi nerves fuss
Straight from West pon a Town bus
Mi haffi smoke a pound first
Sen sen sen sen sen sen on
Sen on & never hang on
Sen on
Sen sen sen sen sen sen on
Sen on & never hang on

Mi get high
like a pedestal
Heavenly & celestial
Extra terrestrial
When mi smokin up di cess
Mi all look it like a sexy gal
Celebrate it like festival
Mix it like a cereal
Sex it like material
Mi deal wid it like chicken
Hot & spicy & original
Or barbeque
Because di crew
A ganja man professoinal
Lenky get higher
Dan di martians on Mars
Milky Way galaxy stars
That's why
You only get eight bars

Chorus

Mi fross so till
Mi use di green paper
Marked ten paper left
And no joke
Yow mi smoke
Yow till vapour left
To how mi high
When mi look down
Skyscraper left

Don't try dat at home
You might break a neck
Feds want me & bug di phone
Two way connect
Mi change mi number to
"wha?!!"
1-800-collect
When you si Cellblock
Inna di street
Smokin up di highes &
Gucci chain
Deh round di chest

Chorus

Singa blinga seh
"Kartel a what time?"
Up to di time
Mi hear Singa talk
But mi no matter time
Cause mi have mi weed &
Mi a look 7 dollar coin
Fi buy di rizzla
Six fi buy di cigarette
"What kind?" Craven "A"
But nuh badda smoke it
Like di last time
Build you weed & blow
Like when whistle fi half-time
Man deh pon di ends
Till 27 past 9
And when mi look up
Inna di sky
Mi see sun a shine

Chorus
