Spinnin cyclonic haize ringing telephonic,
SO sweet and Symphonic
when me grab ah block of Blonic,
Spilff Big and Iconic Long like a macaronic,
Diabolic or perstalical alcholic whey yuh fall it
Babylon belong d range shoot up tekk tonic
Blue ride hydrolic stay like its titanic
Jewish and catholic say me have it more ronic
More chronic Gyalionic make me wrap the microphonic,
Keep it real Me doh act it like ah man wey drop. Talk it!

WE smokin till we look down at D sky,
High like the Greeting someone say HI,

Like third world Im committed,
To weed Me doh Shitted,
Blood witted daz written,
Its not counterfitted,
D judge still great head,
Right tru some half withered
Police grab me spliff head
but i was a quick head,
Radio transmitted or fed Ex Remitted
anywhere dat me sit at
My treez affi refitted
D light when me lighter emitted
it split head but matches got lit head
still benefitted
Black head and white head,
Treez get lighted,
Fire ignited me brain's excited,
Im so delighted
fully red sighted,
treez and rizzla and fire united

[Chorus:]

We smokin till we look down at the sky
High like the greeting Someone say Hi,
dis bwoy ah roll tru high school dayz,
Me IQ raise when D high grade raise.
